MORE THAN WORK

Cubo Derby

The Old Post Office Victoria Street

Tom Breese at Ventula Consulting

“The Cubo concept is perfect for what Ventula is looking for in an office space, with an excellent range of facilities and the flexibility that we need as we continue to grow our teams. We considered multiple options and Cubo in Derby really stood out, it’s a fantastic space in a great central location.”

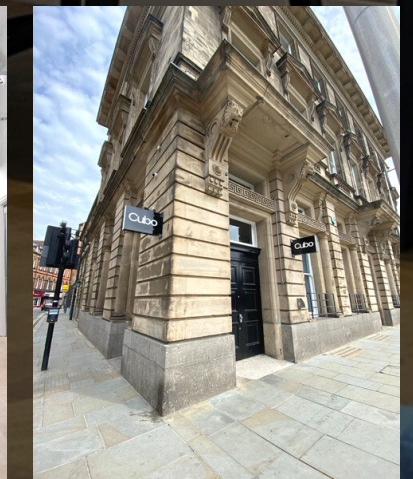

When you walk through the main doors at Cubo in Derby you are welcomed by the huge open plan coworking space on the ground floor, where you are met by the Centre Manager and Barista! Private offices and designated desks are found on the upper two floors.

Cubo Derby was the first Cubo to open in the February of 2020. An impressive 3 storey Victorian building bursting with character and original features. A prominent building in close proximity to Derbion and the thoroughfares of Cornmarket, St Peters Street and Irongate. Cubo Derby totals 20,000 sq ft arranged over ground and two upper floors. All floors can be accessed via stairs or lift. WCs are available on all floors.

There is currently a lot of development happening in Derby. Directly opposite Cubo Derby the City Council are working on the comprehensive regeneration of the Becketwell area. This will include a mix of homes, offices, hotel, retail and leisure uses, in addition to a new public square for the city.
