EXECUTIVE SUMMARY

THE OFFERING

CBRE's National Behavioral Health Advisory Group is pleased to present the exclusive offering of the Bridge Street Complex, located at 608 Francestown Road in Bennington, New Hampshire.

Situated on approximately 3.72 acres, the property offers a private, campus-like setting with substantial outdoor space, including a tennis court and areas for recreation and gathering. The property is approximately one hour and forty-five minutes from downtown Boston, providing access to the broader New England patient base while maintaining a quiet treatment environment.

The former residential substance use treatment facility consists of three buildings totaling approximately 17,616 square feet. Built in 1987 and recently renovated, the campus includes 32 residential units configured to accommodate approximately 64 beds, along with a commercial kitchen and other infrastructure suited for residential programming.

This offering presents an exceptional opportunity for a behavioral health operator to acquire a sizable residential treatment campus in New Hampshire, a market supported by favorable reimbursement conditions and continued demand for substance use disorder and residential treatment services.
