Princeton Forrestal Innovation Park offers tenants the perfect amenities for every day life. The world-class office buildings are connected by a climate-controlled concourse level that includes a variety of amenities for tenants' conveniences. These include:

- Coffee bar
- 24/7 Grab & Go
- Dry cleaning
- Wellness/Meditation rooms
- Gym
- Spin/cycling studio
- Yoga studio
- Bike storage, bike shop and trails
- Instructed fitness classes
- Locker rooms (men/women) with showers
- Outdoor amphitheater

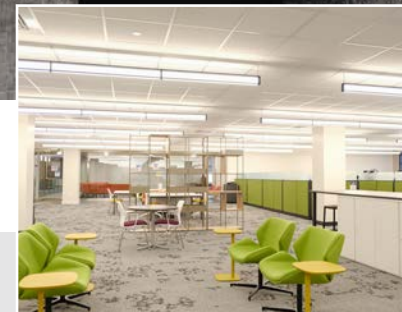

DESIGNED FOR THE WAY WE WORK

Princeton Forrestal Innovation Park is a world class office complex, located at the epicenter of technology and education. The complex consists of three, five-story Class A office buildings situated around a large landscaped courtyard and amphitheater. The park is part of Princeton University's Forrestal Center, a 2,200 acre master planned mixed-use community of office, research, retail, hotel, residential and open space.

In addition to individual tenant spaces, the park features:

- A 150 seat auditorium
- Multiple conference rooms
 - Training room
- A variety of collaboration and huddle spaces

PLAY

DESIGNED FOR THE WAY WE PLAY

At Princeton Forrestal Innovation Park, tenants can be entertained by a variety of on-campus amenities including:

- Dining (Constellation Culinary)
- Lounges
- Game lounge
- Virtual golf

Nearby, there are a multitude of shops, restaurants and multi-cultural events. Nassau Street, McCarter Theatre, Grounds for Sculpture, Arm & Hammer Park and the Cure Insurance Arena are all located within a short drive. New York City, Philadelphia, and the shoreline are all just an hour away.

Welcome to
TASTE CAFÉ
BY BRICK FARM

CELEBRATE FRESH LOCAL FOOD!

Brick Farm Market, opened in 2013 in Hopewell, NJ, has become known as a destination for outstanding prepared foods made from the highest quality local ingredients we can find.

First we look to source our premium meats from our own farm, Double Brook Farm, a sustainable livestock farm in the Hopewell Valley.

To round out our dishes we look to other area growers and producers who share our philosophy of producing the finest ingredients in the most sustainable way possible.

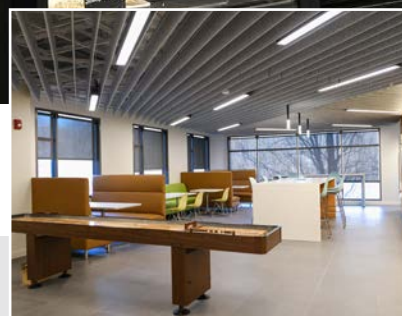

The result is a menu that is as delicious as it is wholesome.

We hope you enjoy the best our region has to offer!

FLEXIBLE FLOORPLATE

TYPICAL TENANT FLOOR

Office floors are extremely efficient and divide easily.

Existing ceiling heights are 9' which is well suited for today's natural light filled open floor plans.

Core areas including lobbies, elevators and restrooms will all receive upgrades.

High ceilings and abundant window lines merge the well-landscaped and rural setting with open floor concepts and allow ample natural light into each floor.

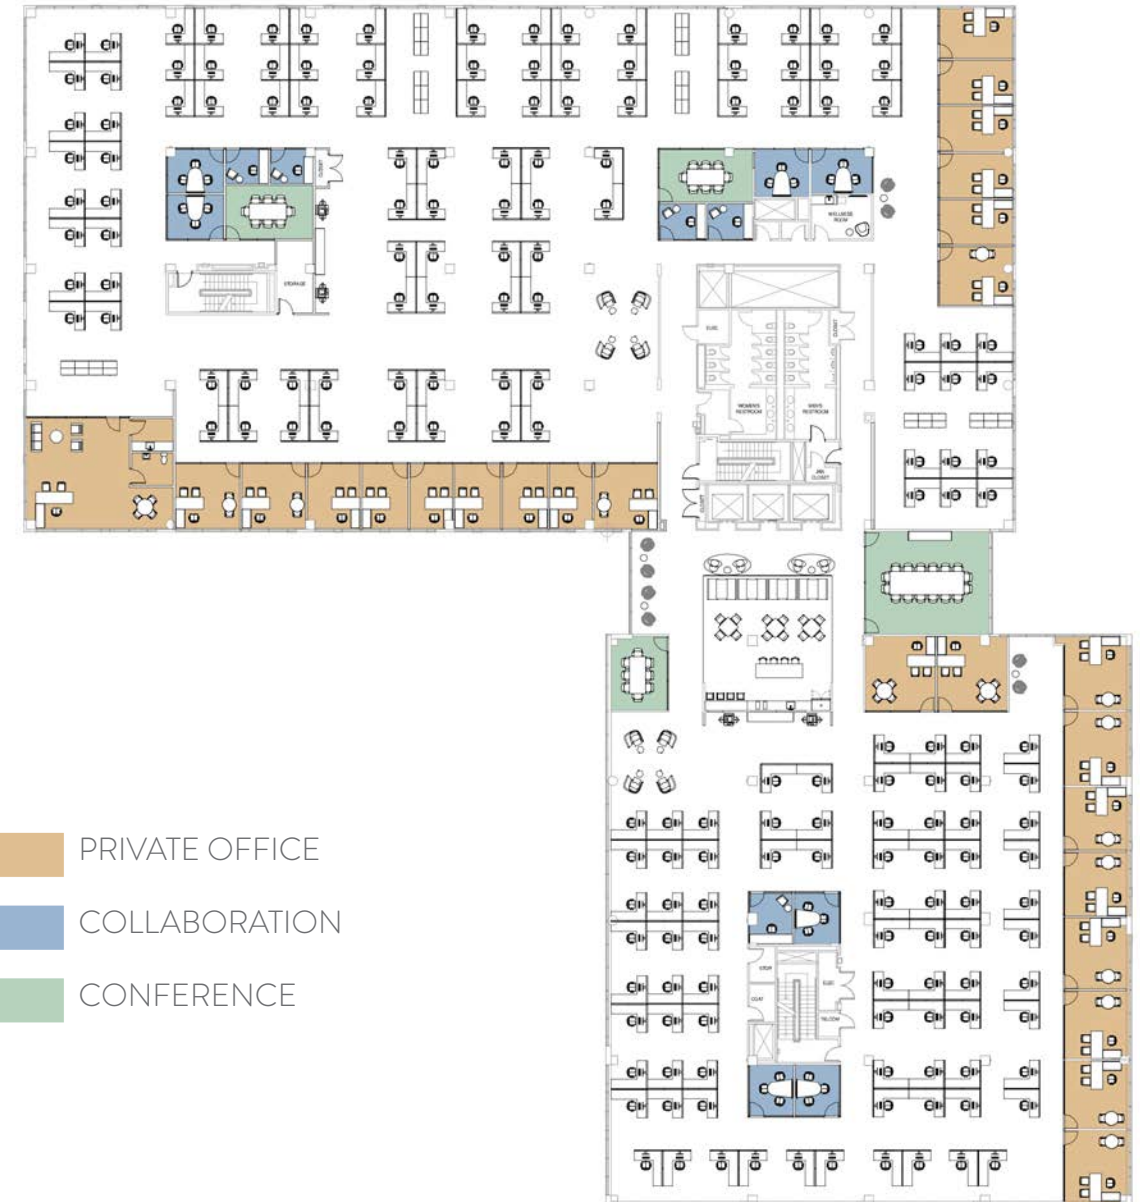

Thoughtful floor design facilitates a collaborative environment and multiple configurations.

Each floor is approximately 45,000 RSF.
