WARM.

PROFESSIONAL.

INVITING.

SIMA Space is dedicated to providing premium coworking spaces tailored to the unique needs of therapists and wellness professionals.

11

The convenience, the pricing, and the flexibility were just magnificent. I was very excited when I found Sima Space. It gave me the opportunity to work in different cities, at their offices in San Francisco, in Oakland, in Berkeley and other places.... I get to work when and where I choose.

Donnie Gayfield
Clinical Social Worker / Therapist
