WINTER PARK VILLAGE

Recently repositioned through a \$50M+ redevelopment, Winter Park Village is now fully leased and home to premier retailers including Arhaus, Tommy Bahama, Free People, Kendra Scott, Brighton and high-end restaurants. Following renovations to Regal cinema, rental rates increased significantly and the center has emerged as one of Central Florida's premier retail destinations.

PARK AVENUE

Winter Park's iconic downtown district continues to benefit from public investment through the City's \$2.5 million Park Ave Refresh, enhancing infrastructure, streetscapes, and pedestrian experience. The multi-phase project reflects the City's long-term commitment to maintaining one of the region's most desirable mixed-use corridors.

FAIRBANKS CROSSING

The Fairbanks corridor is experiencing significant growth, highlighted by the development of Fairbanks Crossing and more than \$35 million in recent commercial real estate transactions. Supported by ongoing infrastructure improvements and rising property values, the corridor is positioned as one of Winter Park's most active emerging commercial districts.
